TALKING TIME	ABOUT 18 HOURS
CHARGING TIME	ABOUT 3 HOURS
BATTERY TYPE	200 mAh Lithium-ion polymer rechargeable battery
WORKING VOLTAGE	3.3 - 4.2 V

MANUFACTURER’S LIMITED WARRANTY

Your SALES RECEIPT is required to validate & obtain warranty services.

Your Tactical Ear Gadget is warranted against internal defects in material or workmanship. All of our earphones are warranted for 12 months. Hygiene restrictions prevent us from extending our limited warranty to wearable parts such as: Torpedoes, Fins, foam pads, clear tubes & ear inserts.

The warranty is extended to the original purchaser only and does not cover the following:

- * Physical abuse
- * Damage from tugging or pulling
- * Improper maintenance of unit
- * Frayed, torn or exposed wires
- * Crushing or smashing in any way, shape or form

General misuse of the item such as: Excessive voltage, tampering with the unit or repairs attempted by someone other than the manufacturer will void the MANUFACTURER’S LIMITED WARRANTY.

The manufacturer reserves the right to evaluate and refuse warranty based on their evaluation. In order to obtain warranty services, proof of purchase in the form of a SALES RECEIPT must be returned along with the product.

UC KIT

BLUETOOTH EARPIECE, BT RADIO ADAPTER & BTR REMOTE SWITCH

BTR REMOTE SWITCH

BLUETOOTH EARPIECE

BT RADIO ADAPTER

PAIRING THE BT RADIO ADAPTER & EARPIECE:

STEP 1: Attach the adapter to the radio. Press down on the clear PTT button on the BT radio adapter and turn the radio on at the same time. Do not release until BT radio adapter is flashing blue and red, then release.

STEP 2: Power on the earpiece with the slide switch to “On” position. The earpiece will automatically flash Blue/Red.

STEP 3: When both units appear solid Blue for a moment, they are paired.

PAIRING THE BT RADIO ADAPTER & BTR REMOTE SWITCH:

STEP 1: Slide the switch to the “Off” position on the earpiece. Turn radio off.

STEP 2: Press down on the clear PTT button on the BT radio adapter and turn the radio on at the same time. Do not release until BT radio adapter is flashing blue and red, then release. Press on the clear button again to change the pairing pattern.

STEP 3: Long press the PTT button on the BTR Remote Switch until it's flashing Blue/Red then release. BT radio adapter will turn solid Blue momentarily. BTR Remote Switch will have no light. Now the units are paired.

STEP 4: Power on earpiece, wait momentarily for all units to link and press the BTR Remote Switch for a radio check. You are now ready.

POWER OFF:

Slide the switch on the earpiece to the off position. To Power Off the BTR Remote Switch, press & hold the PTT button until LED flashes Red.

POWER ON:

With the BT radio adapter attached, turn on radio. Slide the switch on the earpiece to the on position. Short press the PTT button on the BTR Remote Switch until Blue LED appears then release. Wait a moment for all units to link. Now you are ready.

CHARGING:

Connect USB cable to the wall and one component at a time. All units flash RED during charge. When LED is solid Red units are charged. Charging time 3 hours.
