Here are links to report PHISHING FRAUD to authorities online:

FEDERAL TRADE COMMISSION COMPAINT CENTER: <https://reportfraud.ftc.gov/#/>

FBI INTERNET FRAUD COMPLAINT CENTER: <https://www.ic3.gov/complaint/default.aspx>

IF YOU PAID USING PAYPAL, YOU SHOULD DISPUTE THE CHARGES IMMEDIATELY.

You may also choose to file a police report. We are sorry that this happened to you and we assure you, we are doing everything we can to get these fraudulent website taken down. Make no mistake that you are the victim of a crime and our company is the victim of trademark infringement and identity theft.

We have filed paperwork with GOOGLE ADSENSE, the companies that hosts these sites, the FTC (Federal Trade Commission) and the FBI because they are using our intellectual property (logo) and posing as The Earphone Connection. Our company, The Earphone Connection actually sells two-way radio earpieces to law enforcement. We have been able to get some of the website URLs taken down, but it is very frustrating because there seems to be more than one URL and there is no way to contact them as all contact info. on their website is fake. We are continuing to do what we can to hopefully get all of the websites shut down.

To minimize risk, we recommend the following link for identifying potential scam websites online:
