- ▶ Polyurethane-jacketed, Kevlar cables for extended life in the field.
- ▶ Includes one Fin Ultra™ Ambi eartips for ambidextrous fit & all day comfort.

FREQUENTLY ASKED QUESTIONS:

- Q. Why should a customer choose the Cougar?
- A. The Cougar would be best suited for surveillance or security operations.
- Q. How long does it last?
- A. At least 2 years under heavy everyday use.
- Q. How long is the warranty?
- A. One year.
- Q. What is Quick Release?
- A. Quick Release allows the adapter to remain on the radio while releasing the microphone cable from the adapter.
- Q. Are the parts replaceable?
- A. All the wearable parts are replaceable and interchangeable.
- Q. Why are there two connectors shown?
- A. One illustrates a hardwired connector & the other a Quick Release Connector. These are dependent upon the radio make and model.

EXAMPLE OF QUICK RELEASE CONNECTION:

NOTE: RADIO ADAPTER WILL VARY BASED ON RADIO MAKE/MODEL. REFER TO RADIO COMPATIBILITY CHART.
