

# COYOTE EC

## SHORT TUBE LAPEL MICROPHONE

The Coyote EC Short Tube Lapel Microphone with Easy-Connect Guide Arrows combines our lightweight directional lapel microphone with a clear acoustic short tube earphone. The Coyote's short tube is designed to prevent moisture build-up within the clear tube. The Coyote is concealable, lightweight and comes with Fin Ultra™ ear tips for all day comfort and enhanced acoustical engineering for a higher level of situational awareness.

### FEATURES & BENEFITS:

- ▶ Short tube style reduces moisture build-up in humid climates.
- ▶ Short tube attached to speaker by a metal threaded screw for easy release.

- ▶ Easy to grip PTT (Push-to-Talk).
- ▶ Polyurethane-jacketed Kevlar-lined cables.
- ▶ Sensitive to a whisper.

- ▶ **Enhanced Comfort:**  
Softer Shore 25 Silicone.  
Larger cut-outs allowing for more ambient sound.  
Newly refined cone shape tip fits more comfortably into the opening of the ear canal without penetrating the ear canal.
