

# MICRO DEUCE

## DUAL-SIDED TUBELESS EARPIECE

Introducing the affordable Micro Deuce Dual-Sided Tubeless Earpiece. Now you get all the benefits Tubeless brings, but for both ears. The Micro Deuce delivers clear audio with no obstruction or sound loss, just clean audio from the source all the way to your ears. The Micro Deuce earpiece is a replaceable earpiece to be used with our assortment of PTT microphone or listen only cables. Equipped with our Fin Ultra™ ear tips you receive instant comfort and situational awareness without needing to turn up the radio. Say goodbye to ear fatigue and loud decibels and for added hearing protection, use our Micro NABs and block out unwanted sounds. Listen to crisp clear communications without having to blast your eardrums.

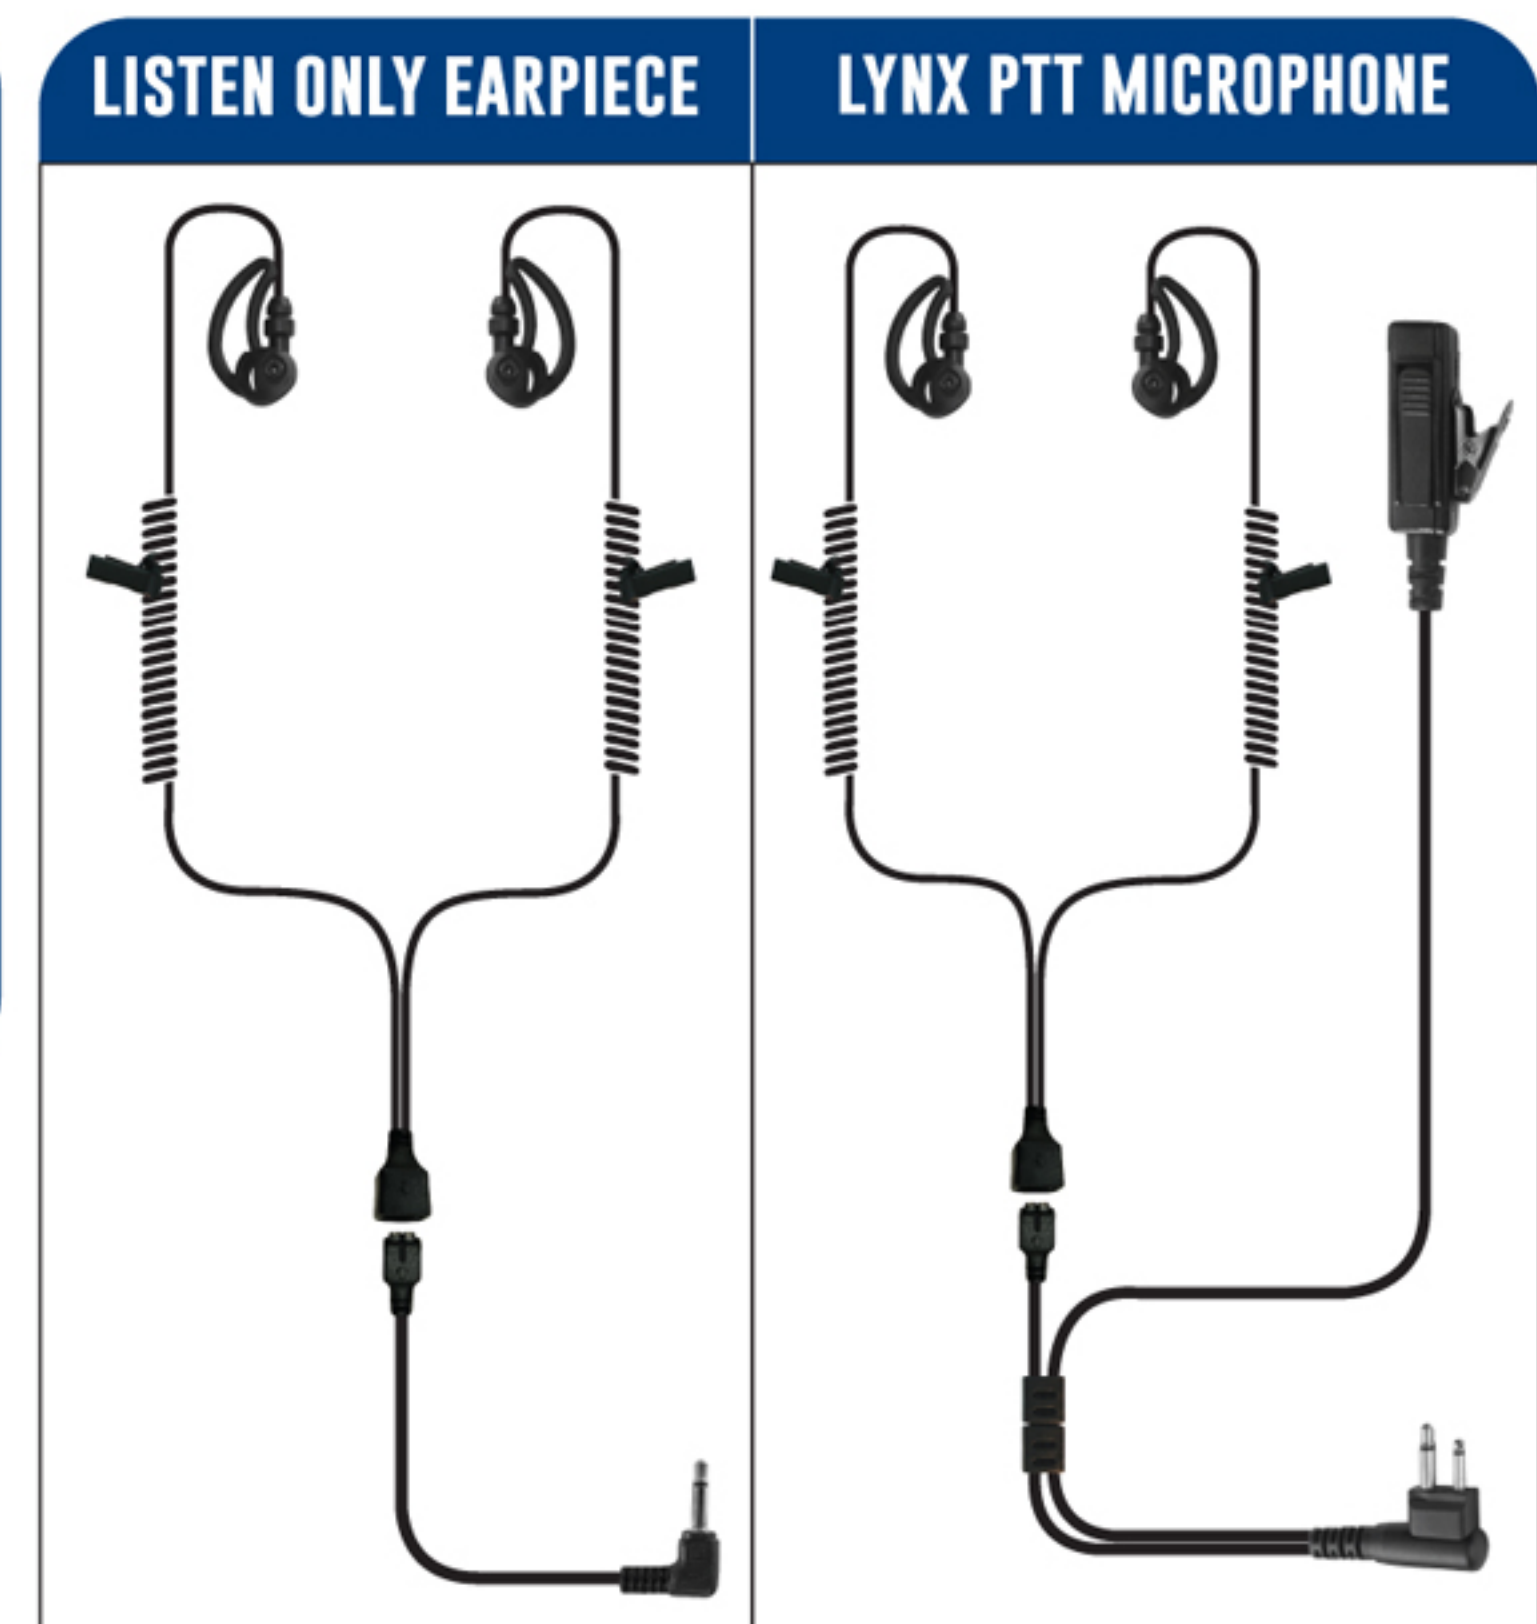

### FEATURES & BENEFITS:

- ▶ **Dual Sided Micro Sound Tubeless Earpiece**  
Get all the Tubeless benefits, but for both ears.
- ▶ **Tubeless** delivers unobstructed sound. No sound loss, moisture build-up or tube maintenance. **Easy-Swivel** speaker rotates 180° for left or right side. **Secure Ear Tip Lock** ensures that your ear tips remain securely in place.
- ▶ The Micro Deuce earpiece is a replaceable earpiece to be used with our assortment of PTT microphone or listen only cables.

It utilizes the same connector as the original Micro Sound earpiece.

- ▶ **Enhanced Comfort:** The Fin Ultra™ ear tip delivers luxury comfort like never before. The open skeleton design features larger cutouts for more ambient sound. Experience instant comfort, no ear fatigue & 360° situational awareness.
