

FALCON

SMALL SPEAKER EARHOOK LAPEL MICROPHONE

The **Falcon Lapel Microphone** is a lightweight directional microphone that has been designed to attach securely by a soft ear hook. The ear hook may be worn comfortably for hours. The Falcon unit can easily be worn under a shirt which allows the user to keep their immediate area free of wires. The speaker rotates to affix to either ear and moves up and down for a custom fit.

FEATURES & BENEFITS:

- ▶ Directional lapel microphone with flexible rubber earhook that swivels for left or right ear fit.
- ▶ Comfortable and practical design with adjustable height to fit different ear sizes.
- ▶ Easy-to-grip PTT (push-to-talk) button.
- ▶ Sensitive to a whisper.
- ▶ Polyurethane-jacketed Kevlar cables.
