

FOX CT COILED TUBE LISTEN ONLY EARPIECE

The **Fox Listen Only Earpiece** is the comfortable and secure way to privately listen to your radio. The Clear Fox Earphone is formed from high grade surgical tubing, which is attached to a high output speaker that connects discreetly below the shirt collar. Rest assured that critical information is heard only by you and not your suspect. Short tube version is also available that is designed with a threaded tube release to reduce moisture build-up in humid climates.
