

LYNX DEUCE

2-WIRE TUBELESS PALM MICROPHONE KIT

The **Lynx 2-Wire Microphone Kit** with PTT (Push-to-Talk) fits comfortably in your hand. The Lynx combines a traditional style palm microphone with new tubeless earpiece technology to deliver the ultimate 2-wire kit. The **Micro Deuce Dual-Sided Tubeless** earpiece delivers all the benefits of tubeless for both ears! Additional features include extra long cables, detachable metal clothing clip and adjustable cable sleeve for personal configuration. The Lynx comes complete with patented Fin Ultra™ ear tips for all day comfort and enhanced acoustical engineering for a higher level of situational awareness.

FEATURES & BENEFITS:

- Fits in the palm or as a clip-on microphone.

- Extra long cables and adjustable cable sleeve for personal configuration & comfort.

- Microphone is sensitive to a whisper.

- **Micro Deuce Dual-Sided Tubeless Earpiece** delivers unobstructed sound. No sound loss, moisture build-up or tube maintenance. **Easy-Swivel** speaker rotates 180° for left or right side.

- **Enhanced Comfort:** The Fin Ultra™ ear tip delivers luxury comfort like never before. The open skeleton design features larger cutouts for more ambient sound.
