

RABBIT **RS** & RABBIT **LS** LISTEN ONLY EARPIECE

The **Rabbit “Listening Only” Classic Ear Hook** is made of soft flexible rubber. The comfortable 15mm speaker rests securely in your ear, producing a rich, full, natural sound that can be heard only by the user wearing the earpiece. This unit is for listening only & should be used with a shoulder microphone that is equipped with a 3.5mm audio jack.

FEATURES & BENEFITS:

- ▶ Privately listen to your radio and still hear your surrounding environment.
- ▶ Traditional earhook-style listen only earpiece swivels to left or right ear.
- ▶ Two Earpiece Style options:
 - Regular Speaker (RS)
 - Large Speaker (LS)
- ▶ Comfortable style promotes hygiene with earhook resting on the ear, not inside.
