

# iBUD PTT 1-WIRE EARBUD SURVEILLANCE KIT

The **iBUD PTT 1-Wire Earbud Surveillance Kit** features an “iPod-style” earbud with inline PTT microphone. From the outside, the “iPod-style” earbud looks typical, but underneath it’s a covert surveillance kit that promotes simplistic two-way radio communications. Blend into any surrounding environment without being noticed!

## FEATURES & BENEFITS:

- ▶ Simple 1-Wire Covert Surveillance Kit allows you to blend into any environment.
- ▶ “iPod-style” earbud delivers clear audio, even in the noisiest environments.
- ▶ True inline microphone with easy-press PTT.
- ▶ One size fits all comfortable earbud.
- ▶ Whisper-sensitive microphone.

## BLEND IN TO ANY ENVIRONMENT
